COVID-19 is an extremely contagious disease that may lead to severe illness and death. An inherent risk of exposure to COVID-19 exists in any public place where people are present. While these protocols are intended to mitigate some COVID-19 risks, there is no way to eliminate the risk entirely. By visiting OWA you voluntarily assume all risks related to exposure to COVID-19. OWA Management reserves the right to eject any Guest if in the management's opinion, the Guest may post a risk to the safety of other Guests and/or affect their enjoyment within OWA's property.
